Hi again Kevin,

Just FYI: If Chris can't make it (she's traveling in Nepal), Jonna is fine with rescheduling.

Thanks!

Too bad Damien. Understand.

CKJ, if you are unavailable, I suggest we reschedule... otherwise it's just Jonna and I!

Dear Jonna, Chris, and Damien,

Just wanted to check in with you all and make sure you're still free for a brief P2-wide M&A call tomorrow?

Unfortunately Peter sends his apologies that he won't be able to make it due to a partner meeting in Cote d'Ivoire. He did want to let you all know the trip over there is going very well.

Please let me know. It would be good to touch base, at least briefly, since last month was canceled, and August likely will be too.

Cheers,
Kevin
